

Dear Holiday Shoppe Helpers:

Enclosed are two separate pieces of information for your Holiday Shoppe.

We have enclosed a letter that you may run off on your school letterhead and send home before your Holiday Shoppe begins. This is one way to inform parents/guardians of what the Holiday Shoppe really is and the benefits of their children shopping there. Please fill in your sale dates before you make your copies.

The letter also informs parents/guardians of the price range of the merchandise; this allows them to know how much money to send to school with their child.

The second piece of material is your start to finish guidelines on how to get through the Holiday Shoppe and still remain sane enough to enjoy the holidays!

Please review them both before your merchandise arrives to ensure a smooth process with your Shoppe.

Remember, your merchandise will arrive at school on the date you select.

We look forward to many smiling faces (students & helpers both)!

Thank you in advance for making the holidays a little more special at your school.
